ASA'S VIEW!

by County Player-Manager
Asa Hartford

What a smashing result that was for everyone concerned with the club last Tuesday.

It certainly laid the Telford bogey and at the end of the night I think the best side went through.

However Telford could well have buried us in the first match.

Early on they had a number of excellent chances but we weathered the storm and came through and by the end of the match we looked the better side.

The next round at Runcorn won't be easy, although I doubt if they will be as difficult a hurdle as Telford. In saying that they have John King the ex-Altrincham player as manager and knowing John as I do, even if he was manager of a Sunday League side he would still want to 'crush' the opposition.

It's good for the club too that we are in the Second Round of the F.A. Cup, as well as for the players and supporters. If we can beat Runcorn on December 5 then we can perhaps look forward to one of the big First Division guns in Round Three - preferably here at Edgeley Park.

I had to write these notes prior to Saturday, so I cannot comment on the Exeter game, except to say that we were full of confidence going into the match and looking forward to an overnight stay in Devon having left Edgeley Park on Friday lunchtime.

Tonight though I should like to welcome one of my former clubs - Bolton Wanderers. As you know I spent two seasons with them prior to joining County and I am sure that with a healthy crowd in attendance tonight, the game should create its own special atmosphere.

We know we have to win to go through and Bolton know they only have to draw. I hope you enjoy the game.

CLUB TALK

A topical look at events
on the Edgeley Park scene

Well what a change in our fortunes - results wise that is!

There is little doubt that County have picked themselves up off the floor in the best possible style with a couple of welcome home league victories and another in the F.A. Cup, to turn a dreadful record at Edgeley Park into one to be proud of.

Hartlepool and Torquay both found County in mean mood, as Player Manager Asa Hartford was at last able to pick something like the side he had wanted to all season.

With competition for places and a welcome return to form from others, County have (prior to Saturday's visit to Exeter) put together a seasons best run of five games without defeat.

Now Supporters can look forward to a brighter League campaign and also the chance to taste F.A. Cup success for the first time in six years, after that magnificent victory against Telford United at Edgeley Park seven days ago.

Hopefully County will have kept the momentum going with some reward from St James's Park on Saturday, in preparation for tonight's Freight Rover Trophy tie with neighbours Bolton.

COUNTY steamrollered Telford in the end, but it could have been so different.

And the man who is mainly to thank is goalkeeper Chris Marples.

John McGinty's third minute penalty was by no means a bad one-it appeared to have goal written all over it as it headed for the corner of the net. But Marples had other ideas, and his fabulous save proved the platform on which County built their F.A. Cup win.

And although the Hatters proved to have too much artillery for their non league opponents in the end it would have been a far stiffer task to come back from behind.

The praise so rightly piled upon Marples is just reward for a player having a fine season. He had a difficult job last time out filling the boots of Andy Gorton-now getting rave Division Two reviews at Oldham Athletic, incidentally-but he has proved his worth with consistent performances and is now rated one of the best goalkeepers in the division.

Another man entitled to smile is Bob Colville. Bob is being taken on after his extended loan period and their is no denying the striker has put the work in to make the centre forward position his own.

And the third man with a big beam on his face around the Egeley Park corridors is Asa Hartford. Asa got a bit of stick from certain quarters-not least from yours truly-when County went through their recent sticky patch but he has come through with flying colours.

I am delighted he proved me wrong. If nothing else Asa is fast proving that there is still room for nice guys in soccer-long may that be the case.

BOLTON WANDERERS

WELCOME

TO EDGELEY PARK

It's sad times at Burnden Park these days - Wanderers first ever season in Division Four.

One of the twelve original members of The Football League, Bolton have never won the First Division Championship, although they have finished third on three occasions in 1891-92, 1920-21 and 1924-25.

Champions of the Second Division in 1908-09 and 1977-78, Wanderers are better known as FA Cup fighters than League exponents with victories in the first ever final staged at Wembley in 1923 and 1926, 1929 with the last occasion in 1958.

Three times too they have been beaten finalists in 1894, 1904 and in 1953.

In 1973 Bolton won the Third Division title, while 18 months ago they went all the way to Wembley, only to lose in the Final of the Freight Rover Trophy 3-0 to Bristol City.

Many great names have worn their famous white shirts over the years. Perhaps the most famous being goalscorer Nat Lofthouse.

Lofthouse was a powerful striker, named Footballer of the Year in 1953, he knew how to score goals. In 452 League appearances for Bolton, he scored a remarkable 255 goals, with a further 30 in 33 England Internationals. A truly great player.

Others who wore their colours with distinction were goalkeeper Eddie Hopkinson, capped 14 times for England and who later coached at Edgeley Park, Francis Lee and Freddie Hill. Both played for England too, Hill twice and Lee on 14 occasions.

But it's Bolton's dramatic fall through the Leagues in recent seasons which has been as dramatic as any of their Cup performances of days gone by.

MEET THE BOSS

Phil Neal

It's almost two years since Phil Neal succeeded Charlie Wright as Manager at Burnden Park.

Winner of countless Championship and Cup medals while a player with Liverpool, Neal began his career with Northampton Town before joining the Anfield Road club in October 1974.

Capped for England on 50 occasions he made his international baptism against Wales at Wrexham in March 1976.

Although still registered as a player, he has not played for Bolton this season, but he has figured a number of times as a substitute.

In all he made 689 first team appearances in The Football League for Northampton, Liverpool and Bolton.

It's only just a little over seven years since The Trotters lost their place in the top flight, while the following two seasons they dived with death at the foot of the Second Division before finally slipping into the Third in 1982-83.

The rest is history. Bolton lost their Third Division status last May, and after an indifferent start to their first season in Division Four, Phil Neal's side have at last come good in recent weeks, which could spell trouble for County.

At home they have defeated, Cardiff City 1-0, Peterborough United 2-0, Halifax Town 2-0, Wolves 1-0, Carlisle United 5-0, Exeter City 1-0 and Leyton Orient 1-0 while drawing with Crewe Alexandra and Swansea City both 1-1 and losing to Hartlepool United 2-1.

On their travels they have won at Hereford United 3-0 and Newport County 1-0 while drawing with Scunthorpe United 1-1 and

BOLTON WANDERERS LINE UP FOR THE 1987-88 SEASON

BACKROW: (L-R) Neil Whatmore, Julian Darby, Steve Elliott, Dave Sutton, Dave Felgate, Mark Came, Trevor Morgan, Mark Winstanley. **MIDDLE ROW (L-R):** Peter Nightingale (physio), John Thomas, Ian Stevens, Chris Banks, Steve Thompson, Paul Booth, Nick Brookman, Dean Crombie, Steve Carroll (Youth Coach). **FRONT ROW:** (L-R) Peter Bell, Ian Callaghan, Jeff Chandler, Phil Neal (Manager), Derek Scott, Gary Henshaw, Warren Joyce.

Rochdale 2-2 but have lost at Scarborough 4-0, Torquay United 2-1, Darlington 1-0.

Mixed emotions in the Littlewoods Cup came after a magnificent 3-2 away victory at Third Division Wigan Athletic 3-2, they threw it all away at Burnden Park losing 3-1 in the second leg of the first round.

Last week saw them triumph 1-0 at Burnley in The FA Cup and their only other first class match was a 0-0 affair with Preston North End in Group Seven of tonight's Freight Rover Trophy at Burnden Park.

Victory tonight for either side would take them through to the next stage and the man most likely to be keeping goal is £16,000 signing from Grimsby Town **DAVID FELGATE**.

Felgate is a Welsh International having made his debut as a substitute against Rumania at Wrexham in October 1983. A native of Blaenau Ffestiniog, now in his second spell at Burnden Park, Felgate has also played for Rochdale, Crewe Alexandra, Lincoln City and Cardiff City.

A regular at full-back this season has been **DEREK SCOTT**, who joined from Burnley in June 1985 for £20,000, where he made 275 first team appearances. A former England Schoolboy International, he has formed a fine understanding in defence with **DEAN CROMBIE**, who came in the close season from Grimsby Town.

Crombie is a native of Lincoln

where he once played and is an ever present this season, while **ROBBIE SAVAGE** signed in September from Bradford City where he made eight appearances last term. Previously with Liverpool, Wrexham, Stoke City and Bournemouth, he hails from Liverpool.

Man most likely to wear the number five shirt this evening is central defender **MARK CAME**, who joined Wanderers from Winstanley United in April 1984. He too is an ever present this term, having made 43 appearances last season for The Trotters.

Others who could figure in defence tonight are **DAVE SUTTON** and **MARK WINSTANLEY**. Sutton began his time with Plymouth Argyle, before he had a spell with Huddersfield Town. Signed for Bolton in the summer of 1985 for a £12,000 fee while Winstanley is a local lad who made his debut 18 months ago and has recently contributed to the Bolton promotion push.

Another to join the club from Grimsby Town is midfielder man **GARY HENSHAW** 'junior ranks at Burnden Park to first team duty is midfielder **STEVE THOMPSON**. A native of Oldham, he made his debut for the club during the 1982-83 campaign and has been the topic of

recent transfer speculation.

There should be places too tonight for **NICKY BROOKMAN** previously with Newport County, Wrexham and Aston Villa and Bolton born England Schoolboy **JULIAN DARBY**.

Top scorer this season is £30,000 signing five years ago **JOHN THOMAS**. He joined the club from Chester City and has been a consistent scorer ever since. Now in his second spell at Burnden Park having previously played with Tranmere Rovers, Halifax Town, Lincoln City and Preston North End.

Striker **STEVE ELLIOTT** cost Bolton £25,000 when they splashed out on him from Walsall. He began his career with Nottingham Forest, before moving to Preston and then Luton Town. A native of Holtwistle.

Much travelled striker **TREVOR MORGAN** has been substitute in recent games and he could well figure tonight. A former Bournemouth, Mansfield Town, Bristol City, Exeter City and Bristol Rovers player he came during the summer for £20,000.

The Bolton scorers this term have been:
Barclays League

Thomas 8 (3 pens), Bookman, Came, Elliott, Henshaw, Morgan, Thompson 2, Chandler, Darby, Savage, own goal 1. Total 24.

Littlewoods Cup

Morgan 2, Chandler own goal 1. Total 4.

FA Cup

Thomas 1 (pen), Total 1.

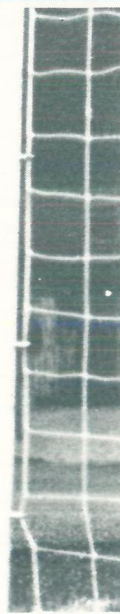

Freight Rover Trophy: Nil.

HATTERS INFORMATION DESK

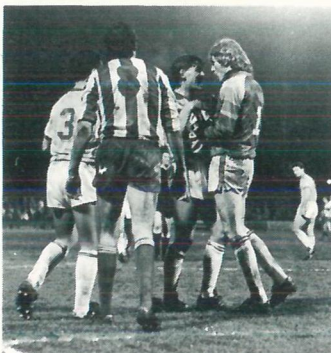

GOING BY CAR?

HERE IS YOUR RAC ROUTE TO COUNTY'S AWAY GAME AT CAMBRIDGE UNITED FROM STOCKPORT.

Join M63/M56/A556 to intersection 19, M6 at Tabley. M6/M1 south to intersection 13, junction with A507. A507 via Amphill, Clophill, Henlow, Stotfold and Baldock, junction with A505. A505 to Royston (by-pass), junction with A10. A10 to Cambridge. Entering Cambridge on the A10 (Trumpington Road), go right onto Long Road (A1134) and continue ahead with Hills Road and Queen Edith's Way to the roundabout, where you go left onto Mowbray Road. Ahead at two roundabouts, under the railway bridge and into Barwell Road. At roundabout, junction with Newmarket Road, go left and Cambridge United's Abbey Stadium Ground is on your left. Total miles 151.

◆ County will play in their normal colours of white shirts and royal blue shorts.

◆ Remember the 'mad antics' of Torquay 'keeper Kenny Allen here the other week? Well believe it or not this picture was taken on Torquay's visit here last season. Notice who Allen is having words with - yes, one of his own players. Seems Kenny is a bit of a handful, as his 59th minute booking proved and if our older supporters can cast their minds back to a picture we published in 1980 of an O.A.P. at Tranmere hitting Mr Allen, then with Bournemouth, against the backside with a broly - you can see that nothing's changed. We await his visit here next season with interest.

MATCH MASCOT

Tonight's County mascot is nine year-old **Richard Gaughan** of Byron Road, Stretford.

Richard is a pupil of St Teresa's School, Firwood, Stretford and tells us that his favourite County ace is, winger Levi Edwards.

No doubt **Richard** is looking forward to leading out his favourites tonight, when County take on local rivals Bolton in the Freight Rover Trophy.

◆ Heard to the one about the goalkeeper who wouldn't listen to some sound advice? Apparently the story goes that this 'keeper was told by one of his team mates that if a certain non-league full-back was to take a penalty, he would fire it low and hard to his left. Not at all impressed the 'keeper wasn't listening or so the number 11 thought. Next thing you know the opposition are awarded a penalty early in the match and in a crucial cup game. What happens - he remembers the advice, and guess what? He saves the penalty! Now the number 11 is claiming the save. Wonder if you can guess the players concerned. Think you can, then drop us a line, care of the club, and we will award two tickets for a future game to the first correct entry received.

Supporters News

After all the excitement of *Cup* week, during which we made *Mugs* out of Telford, here we are again in another cup competition that we haven't exactly done well in recently. In fact we are yet to win a game in the Freight Rover Trophy - although that could all change tonight.

Speaking of change - it seems that the F.A. Cup may not be the F.A. Cup for too long, because a certain lager company has shown interest in sponsorship. I can see it now! We could have the *Carlsberg Cup*, probably the best cup in the world, or even the *Einhorn Cup* (the idea of that one leaves a nasty taste in my mouth). Personally I couldn't give a *Four X* what they call it as long as we do well in it.

Back to business and the last Supporters Club meeting was once again a great success. The guest was Tommy Docherty - and all those who wanted to outgun Tommy were soon shot down. The next meeting is on December 14 and the guest is someone who has had an easy time lately City goalkeeper, Perry Suckling! - so save that date in your diaries. Being our Christmas meeting it will also be full of surprises so don't miss it!

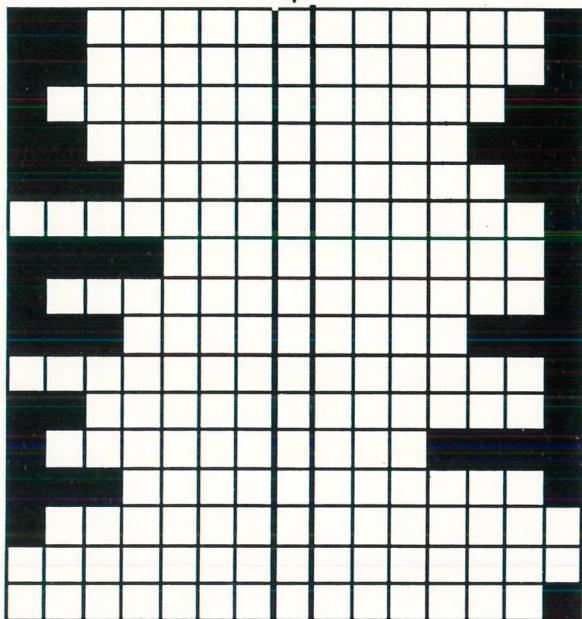

The Supporters Club football team returned to action recently, when we travelled to Torkington Park to meet struggling Woods Lane, they continued to struggle - as we rammed 6 goals past them, courtesy of Paul Kelly 3, Rick Dowling 2 and Carl Speakman 1. At the other end debutant Ken Riley was beaten only once! Watch the press for our next fixture.

A permanent fixture in this column recently is the 'Old Greyhorse'. Tonight is no exception because the regulars of the above establishment have sponsored tonight's half time raffle - which boasts of £20 first prize. If you've not been to the Grey Horse - then you should. It is a very friendly place indeed - and the beer, food and service are tremendous. So a big thanks to John Price and all his patrons.

NEWS

ON FOUR

HOWARD JONES

First of all folks an apology for last weeks partly out of date programme against Telford United, which I'm sure many of you noticed.

One or two supporters had words with me about it on the night and all I can say in defence is that it had to either be a slightly out of date edition or none at all.

In the circumstances we felt you would rather have something to remember the occasion by.

Unfortunately, our printers, who I might add do a magnificent job for us, were only able to reprint five pages of the programme to the normal 24, due entirely to the short arrangement of the fixture and as such I hope most of you understand.

Anyway, that off my chest, back to tonight's Freight Rover Trophy clash with our friends from Burden Park - Bolton Wanderers.

Just as was the case against Telford United last week I can tell you that County are out for more Cup revenge tonight.

Supporters will remember that it was Bolton who ended not only our Milk Cup exploits a couple of seasons ago but those too in the FRT. Incredibly Bolton went on to Wembley that season, losing in the final.

Mind you they were helped by both Milk Cup ties being played at their Burden Park ground. Local police here insisted we switch our home leg to Bolton while ground improvements at Edgeley Park were completed.

That though is all in the past - but suffice to say that County have only once beaten Bolton in Cup action.

That was in the First Round of the FA Cup in 1909 when we won 4-1, while it was another 38 years before we met again at Burden Park in a 3rd round clash.

This time there was no repeat success for County as we lost 5-1 and someone who got two of those goals in front of a crowd of 30,240 was the legendary Nat Lofthouse.

In 1972 after two drawn games with Bradford City in The League Cup we replayed for a second time with The Bantams' at Bolton where thanks to goals from Malcolm Russell and and Eddie Garbett penalty we triumphed 2-0.

That of course was the start of our memorable League Cup run in which we defeated both London clubs Crystal Palace and West Ham United, before crashing out to Norwich City 5-1 at Edgeley Park in the Fourth Round.

Again supporters will need little reminding that the last time Bolton were at Edgeley Park they trailed 2-0 late in the game in January 1986, before fighting back to snatch a draw in the final minutes.

County boss Asa Hartford should remember the game well, for at that time he was sporting the Bolton colours and voted their star player, while of those still at Edgeley Park, Paul Hendrie and Andy Hodgkinson both were in the County side that night, as was Tommy Sword.

Indeed the sides looked like this: County - Walker, Evans, Rutter, Chapman, Sword, Thorpe, Hodgkinson, Hendrie, Leonard, Power, Coyle. Subs: Paul and Mark Wroe.

Bolton - Farnworth, Scott, Phillips, Neal, Came, Sutton, Rudge, Oghani, Caldwell, Hartford, Bell. Sub: Allardyce for Rudge (70).

Mark Leonard got both the County goals, while Mark Came and Tony Caldwell snatched the late equalisers for Bolton.

Of course County are no strangers to Cup competition in recent weeks, what with two ties against GM Vauxhall Conference Telford United in the FA Cup.

Almost as soon as striker Bob Colville was taking the stick for a couple of earlier misses, up he pops to crack home the sweetest shot you are ever likely to see.

No doubt there will be a rush to grab Roy Nichol's video of that match, and if that goal doesn't win County's goal of the season award, then all I can say is that we must be in for some pretty exciting times in the months ahead.

Finally tonight, don't forget County are at home again on Friday in The Barclays League when we play Colchester United. I'll give you a full round up of the Fourth Division scene then, together with all the recent transfer activity in the Fourth Division and just how being bottom of the Football League is affecting Rochdale.
